### **Project Description:**

The project of activities on the radio is held in Kpalimé at Radio Planet. Noting the rich intercultural debates and the thinking they bring to each one, we consider appropriate to share this exchange with radio listeners. Indeed, the debates allow people to question themselves, to think on the meaning of their behaviors and improvements that can be made.

**Notice:** *This is an Africa WG project. Please contact the SCI branch or partner organisation in your country for further information.*

**Work:** The volunteer will participate in the life of the radio at several levels: talk shows, variety shows, news, interviews and vox pops, etc.

Note : This project has very different hours from the others. The volunteer can choose his/her hours on the radio. Several programs are in Ewe (local language), the volunteer can not always participate. This project can be combined with the Project Support to ASTOVOT coordination Staff, which is 5 minutes from the radio.
