

Long Term Volunteering

Those who say it cannot be done should not interrupt the people doing it.
(Chinese proverb)

Project Description:

Interaction in English with University students as a method to promote IVS and global education. Organized together with UDINUS (Universitas Dian Nuswantoro). 1. Share visions of both partners through sharing knowledge of both local partners to the volunteer. Aim of the project: To promote IVS and global education 2. Open access for students of UDINUS for global knowledge and voluntary service

Work: Assist English Classes with alternative subjects: Speaking, Cross Cultural Understanding, Subtitling, etc. The classes will be followed by students of 1st, 2nd, and 3rd in university mainly conversation classes; Create and manage the English conversation club out of classes by inviting UDINUS students. The purposes of this activity are: (1) to spread the IVS (International Voluntary Service) spirit among the college students especially in the field of Social Inclusion and (2) to have more relax and informal English conversation activities with interested students. Together with UDINUS Students Association to create at least once community service event in the social projects of GREAT by the end of the volunteering period

Requirements: Strong motivation to interact with local youth/ students. On-line interview will take place during the application process.
